Leading Asia-based Asset Manager

Eastspring Investments is a global asset manager with Asia at its core, offering innovative investment solutions to meet the financial needs of clients. It has an unparalleled on-the-ground presence in 11 Asian markets as well as distribution offices in North America and Europe. It manages a total of \$248 billion in assets across equity, fixed income, multi asset, and quantitative on behalf of institutional and individual investors globally.

Gaining strong traction

We see substantial opportunities to accelerate our asset management business, Eastspring, by building on its leading market position as Asia's largest retail asset manager (excluding Japan). The completion of the TMBAM and TFund acquisitions in Thailand and successful developments in China business have strengthened its strategic portfolio.

Prudence Foundation is the community investment arm of Prudential plc in Asia and Africa. Its mission is to secure the future of Asian and African communities by enhancing education, health and safety.

Flagship programmes

A multi-platform public awareness programme to spread and share life-saving information. The programme at its peak reached over **250 million** people a day in Asia and up to **80 million** people a month in Africa via multi-sectors partnerships. The SAFE STEPS D-Tech (Disaster Tech) Awards aim to find, fund and support innovative technology solutions which save lives in natural disaster events.

Early Childhood Development

(ECD)

We support several programmes to advance Early Childhood Development (ECD) in Asia:

- Partnership with UNICEF to develop a regional ECD strategy aligned to Nurturing Care Framework focusing on the first 1,000 days
- Supporting China Development Research Foundation on their rural-focused ECD programme
- The First Read programme with Save The Children has benefitted more than **157,000 children** and **173,000 adults** between 2013-2019

A capacity-building programme that equips students, teachers and governments to build education resilience against disasters. More than **130,000 children and adults** have been trained since 2013. We also support the Philippines' Department of Education to develop a Comprehensive Safe School Ecosystem, potentially benefitting over **20 million students** and almost 47,000 schools nationwide.

An award-winning financial literacy programme for young children including a series of educational cartoons reaching over **35 million households** every day and a website providing additional resources for children, parents and teachers. The teacher-led Cha-Ching Curriculum is implemented in 14 countries across Asia and Africa benefitting over **600,000 students** and over **15,000 teachers** to date.
